Truck Tyres aka Truckie, well known in Sydney Hash Circles, has long been a stalwart of the Gold Coast Gourmet Hash, notching up 450 runs, many of them as Trailer Master whilst looking after, and delivering week after week, the Hash Trailer.

Always ready with advice, or to offer a helping hand (or appropriate reprimand), Truckie has been an integral part of the Hash for many years.

The Grand Master invites members of GCH3, and Friends/Hash Mates from surrounding Hashes who were close to Truck Tyres, to "Truckie's Last Trail", and the On On, that may well be more of a Roast!
